

# 8 Easy Fundraising Ideas

Holding a fundraiser is a great way to engage your local community while raising funds for the Children's Cancer Foundation.

Since 1992 our supporters have been raising money to help make a meaningful contribution to childhood cancer.

**Here are a few easy fundraising ideas that can help kick-start your fundraising venture.**

### Give up one of your favourite things

Get a group of friends together and decide something that would be really hard to live without for a month.

Get your friends to sponsor you for giving up alcohol, chocolate or even social media.

### Shave your head

If you have luscious long locks or an impressive beard, participating in a big hair-cut, head shave, or 'chin reveal' can be a fun and exciting way to raise money.

Get your friends and family involved and collect donations. You could even let the person who donates the most do the big chop.

### Participate in a sponsored walk or run

Challenge yourself and participate in a sponsored walk or run. Get your friends and family to support your efforts and show off your training regimen on social media.

### Hold a bake sale

Hold a bake sale out the front of your house, at your local school or community centre. Get your friends together to bake their favourite sweet treats and donate the proceeds.

### Donate in lieu of celebrations

To celebrate an occasion big or small ask your friends to get behind the Foundation for a cause with true impact rather than giving you gifts.

### Hold a bingo or quiz night

Organise a bingo night at your local school or community centre. Have fun and create questions for young and old guests alike.

### Host a dinner party

Invite your friends over for a night of fine dining and showcase your cooking prowess. Ask for a donation to get a seat at your table.

### Hold a casual clothes day

Hold a casual clothes day at work or school and collect donations from participants on arrival.
